# WATERCOLOUR LESSONS

PRIVATE AND GROUP  
SESSIONS AVAILABLE.

ALL SUPPLIES PROVIDED

Have you ever wanted to try watercolour, but don't know where to start? Book a session on your own, or invite friends, family or co-workers for a fun group event.

**Basic watercolour sessions** are about 3 hours. You'll learn how to mix colours, use the different brushes to achieve various effects, and explore some useful colour theory. I'll walk you through each step of creating a finished painting, based on one of my paintings.

Sessions can accommodate up to 8 participants. Paint, palette, paper, brushes, pencils, paper towels, etc. – everything you will need to leave with your own 9" x 12" watercolour painting.

SINGLE PRIVATE SESSIONS ARE \$75  
GROUP SESSIONS \$50 PER PERSON
